No particular concerns from Tester's office at this time. Smooth sailing -- thank you!

Thanks Rebecca. Do you know of any specific interest from Sen. Tester on Libby?

Shaun,

We will make the changes for CFAC and Butte per your request. I expect to have the Smurfit and Libby write up's ready for your review within the hour. I'm sorry about the mix up. Martin passed your initial request on to me in a timely fashion and I simply dropped the ball on this one.

Bill,

The CFAC memo says the April 5 public meeting included "congressional representatives from Senator Tester's office..." There was also a tour on 3/24 that was organized at Senator Tester's request and he was there. This should be mentioned and the paper should pull quotes from articles that ran following the tour.

On both papers, "Congressional Interest" at the bottom should lead with Sen. Tester. The reason we are doing these is because Sen. Tester is on the Approps Committee at which the Administrator will be testifying, and she wants to be prepared if he raises any MT specific question.

Martin,

I'm still waiting for the following as requested in my email to you and Joe on the 6<sup>th</sup>:

- Libby
- Smurfit
- ...and any others you know that he is interested in.
